

Luenell's Full Bio (2022)

“ ... one of the top 25 funniest people in LA.”
– LA Magazine

Luenell is the self-proclaimed “Original Bad Girl of Comedy.” She may be small in stature, but she more than makes up for it with her big personality, booming voice and infectious laughter. Born in Tollette, Arkansas and raised in Oakland, Calif. Luenell, has been thrilling audiences with her brand of comedy for more than 30 years. As the eighth child of eight children; any lack of attention she may have received growing up as the baby in the family, she now gets plenty of it from her exuberant fans around the country. Luenell is one of the most sought-after and in-demand female comics on the scene, currently headlining her own tour, titled “The Fresh Out of Favors Comedy Tour.”

With the touch of a remote control, her body of work in television and film can be found on network and cable television as well as popular streaming services. Plus, fans can also tune into her popular YouTube show -- that is, Hey Luenell -- for comedic thoughts on her mind.

Currently, Luenell appears in two very popular Eddie Murphy movies! She is part of the all-star cast of the “Coming 2 America” sequel, starring Murphy and Arsenio Hall, streaming on Amazon Prime Video as well as the ensemble cast of “Dolemite Is My Name,” starring Murphy, currently streaming on Netflix. Other sightings of Luenell include an appearance on “Hacks” on HBO Max; Jamie Foxx’s new Netflix show, “Dad, Stop Embarrassing Me!” Tracy Morgan’s “The Last O.G.” on TBS; the sequel, “Power Book II: Ghost” on Starz; a cameo in Rihanna’s Savage x Fenty Fashion Show, streaming on Amazon Prime Video and a cameo appearance in the music video, “I Like Boys,” by former American Idol singer/songwriter and choreographer Todrick Hall, which has already amassed millions of views on YouTube – just to name a few.

Prior to the pandemic, Luenell was gigging in Las Vegas! She had an extended run at Jimmy Kimmel’s Comedy Club at The LINQ Promenade in Vegas. When Sin City opens back up, look for her to bring back some laughs to the strip.

Luenell’s latest comedy CD, “Luenell Live: I Only Drink at Work,” is available on digital platforms everywhere. For more about Luenell, visit www.HeyLuenell.com
